## INSTRUCTIONS

This form must be completed in duplicate each time a major repair and/or alteration is made of an aircraft, airframe, power-plant, propelle: or appliance. After the repair and/or alteration has been inspected and item 6 completed, the original copy of this form will be made available to the aircraft owner for retention as part of the aircraft records. The duplicate copy is retained by the CAA for administrative purposes.

See CAM 18 for detailed instructions concerning the information to be furnished with this form and instructions concerning its preparation.

B. DESCRIPTION OF WORK ACCOMPLISHED.

Propeller was disassembled, steel parts were magnetically inspected, propeller was reassembled and balanced. 4 weights were added to counterweight arms.

Prop Installed on This Ship In accordance with C.A.R. Earle I Schafull Gr. A4 E 177327

OCT (1 9 11 M '54 ADMINICAREORDS BRANCH

\*II additional space is needed attach additional sheets bearing aircraft nationality and registration mark and date work completed.
